

# Resident Aide

Youth Apprenticeship

## RESIDENT AIDE

Resident Aides provide key caregiving activities to clients in a caregiving facility. In WI, youth apprentices working in a CBRF (Community Based Residential Facility) must complete the required WI DHS training but are not required to pass the CNA exam.

**Length of Apprenticeship:** One or two years

## COMPETENCIES

Youth apprentices work with a job site mentor to demonstrate the following competencies.

**Year 1:** All the required competencies plus **eight** of the additional competencies

**Year 2:** All the required competencies plus **sixteen** of the additional competencies

Required Competencies	Additional Competencies
<ol style="list-style-type: none"> <li>1. Use standard precautions and infection prevention controls</li> <li>2. Change unoccupied bed linens</li> <li>3. Follow Individual Service Plan (ISP)</li> <li>4. Report client changes</li> <li>5. Prepare client for service</li> <li>6. Position client</li> <li>7. Ambulate client</li> <li>8. Measure temperature, pulse, and respiration</li> <li>9. Provide client comfort measures</li> <li>10. Assist client with toileting</li> </ol>	<ol style="list-style-type: none"> <li>1. Measure blood pressure</li> <li>2. Measure weight and/or height</li> <li>3. Transport client within facility</li> <li>4. Assist to transfer client</li> <li>5. Aid client with bathing or showering</li> <li>6. Aid client with eating and hydration</li> <li>7. Aid client with oral hygiene</li> <li>8. Aid client with grooming--dress and undress</li> <li>9. Aid client with grooming- shaving</li> <li>10. Aid client with grooming -- hair care</li> <li>11. Aid client with grooming- nail care</li> <li>12. Maintain inventory of supplies and/or equipment</li> <li>13. Care for clients with a urinary catheter</li> <li>14. Manage client appointments</li> <li>15. Measure pulse oximetry</li> <li>16. Measure blood sugar</li> <li>17. Instruct clients in collection of specimens</li> <li>18. Provide client skin care</li> <li>19. Apply non-prescription topical medications</li> <li>20. Prepare and/or serve food</li> <li>21. Provide ostomy care</li> <li>22. Give bed bath</li> <li>23. Apply TED (anti-embolism) stockings and/or tubi-grips</li> <li>24. Assist with care of client with dementia</li> <li>25. Use isolation techniques</li> <li>26. Apply first aid and choking emergency procedures (simulated)</li> <li>27. Respond to emergency situations as a Resident Aide</li> </ol>

	28. Assist with post-mortem care 29. Practice safe medication storage and administration 30. Lead a client activity
--	---

## REGISTERED APPRENTICESHIP BRIDGING OPPORTUNITIES

---

Some of the related instruction courses can bridge into the following registered apprenticeships:

- Medical Assistant registered apprenticeship
- Community Health Worker registered apprenticeship

## POST-SECONDARY PATHWAY OPPORTUNITIES

---

There are several post-secondary pathway opportunities in this area. Following is partial list.

- Medical Assistant Technical Diploma
- Human Services Associate Degree
- Substance Abuse Counselor Associate Degree
- Gerontology Associate Degree

## WORK REQUIREMENTS

---

Community-Based Residential Facilities (CBRFs) are not required to have licensed practical nurses or registered nurses on the premises at all times. If CNAs or Resident Aides under the age of 18 are employed, they must work on site with another qualified caregiver. The under 18 staff member *may not work alone*. Additionally, **a facility waiver of the 18-year-old requirement must be requested** from the Division of Quality Assurance, DHS, for YA students who are placed in CBRFs. For more information OR to request a waiver, contact the Assisted Living Regional Director for the county in which your facilitate is located at [dhs.wisconsin.gov/dqa/bal-regionalmap.htm](https://dhs.wisconsin.gov/dqa/bal-regionalmap.htm).

## Youth Apprenticeship ON-THE-JOB LEARNING PERFORMANCE STANDARDS GUIDE

### YOUTH APPRENTICE INFORMATION

<b>Youth Apprentice Name</b>	
<b>YA Coordinator</b>	<b>YA Consortium</b>
<b>School District</b>	<b>High School Graduation Date</b>

### REQUIREMENTS

#### Level One Requirements

Youth apprentices must complete ALL the items listed below. Check completed areas.

- Competency checklist (including both all required and 8 additional competencies)
- Employability Skills checklist (in this OJL Guide) or the DPI Employability Skills Certificate
- Related instruction equal to 1 high school credit or at least 3 college credits
- Minimum of 450 work hours

#### Level Two Requirements

Youth apprentices must complete ALL the items listed below. Check completed areas.

- Competency checklist (including both all required and 16 additional competencies)
- Employability Skills checklist (in this OJL Guide) or the DPI Employability Skills Certificate
- Related instruction equal to 2 high school credits or at least 6 college credits
- Minimum of 900 work hours

### HOURS

Record the hours the youth apprentice worked.

Total Hours Employed	Company Name	Telephone Number

## REQUIRED COMPETENCIES

Youth apprentices in the first year of the program must perform all the following required competencies.

### Rating Scale

3: Exceeds entry level criteria | Requires minimal supervision | Consistently displays this behavior

2: Meets entry level criteria | Requires some supervision | Often displays this behavior

1: Needs improvement | Requires much assistance and supervision | Rarely displays behavior

Competency and Rating Criteria	Minimum Rating of 2 for EACH Check Rating		
	1	2	3
<p><b>1. Use standard precautions and infection prevention controls</b></p> <ul style="list-style-type: none"> <li>• put on and dispose of appropriate personal protective equipment properly</li> <li>• perform hand hygiene</li> <li>• handle needles and sharp devices safely to prevent injury</li> <li>• clean and disinfect areas and equipment according to facility policy</li> <li>• handle linens and all equipment to minimize the spread of infection</li> <li>• follow isolation procedures when needed</li> <li>• safely dispose of bio-hazardous materials</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>2. Change unoccupied bed linens</b></p> <ul style="list-style-type: none"> <li>• remove soiled linens</li> <li>• avoid contact of own body and clothing with the soiled items being handled</li> <li>• contain soiled items per facility policy</li> <li>• handle clean linens to ensure their cleanliness</li> <li>• make bed as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>3. Follow Individual Service Plan (ISP)</b></p> <ul style="list-style-type: none"> <li>• locate and review the Individual Service Plan (ISP) for the client to be served</li> <li>• implement active interventions and monitor interventions as required by worksite supervisor</li> <li>• collect objective and subjective data if required</li> <li>• report client changes to supervisor</li> <li>• document interventions as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>4. Report client changes</b></p> <ul style="list-style-type: none"> <li>• identify client change - positive or negative such as vital signs including weight, mobility, behavior/mental status, safety, appetite, or life circumstances</li> <li>• report changes to supervisor</li> <li>• document client changes as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Competency and Rating Criteria	Minimum Rating of 2 for EACH Check Rating		
	1	2	3
<p><b>5. Prepare client for service</b></p> <ul style="list-style-type: none"> <li>• identify client</li> <li>• introduce self</li> <li>• provide privacy for the client</li> <li>• explain procedure to the client</li> <li>• re-approach client and obtain assistance as needed</li> <li>• report/record relevant observations</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>6. Position client</b></p> <ul style="list-style-type: none"> <li>• secure assistance, if needed, before beginning to move and turn client</li> <li>• change client position on schedule or as needed for a procedure/care noting client safety and proper body mechanics.</li> <li>• seek client input to determine their comfort with the position</li> <li>• report/record client condition, reactions, and position change if needed</li> <li>• make observations about condition of the skin</li> <li>• ensure there are no skin-on-skin surfaces touching</li> <li>• give skin care to potential or existing pressure areas</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>7. Ambulate client</b></p> <ul style="list-style-type: none"> <li>• ensure client is wearing proper footwear</li> <li>• secure assistance, if needed, before beginning to ambulate client</li> <li>• follow guidelines for ambulating the client noting client safety and proper body mechanics</li> <li>• assist to stand with assistive devices as needed</li> <li>• assist with ambulation using a gait belt, walker, cane, or crutches</li> <li>• encourage client to maintain good standing posture while ambulating</li> <li>• remain alert to client condition and responses during ambulation</li> <li>• report/record client condition, reactions, and ambulation</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>8. Measure temperature, pulse, and respiration</b></p> <ul style="list-style-type: none"> <li>• prepare the equipment for the procedure</li> <li>• position client using proper body mechanics if necessary</li> <li>• measure temperature, pulse, respirations, according to protocol</li> <li>• report/record reading(s)</li> <li>• care for equipment according to protocol</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Competency and Rating Criteria	Minimum Rating of 2 for EACH Check Rating		
	1	2	3
<p><b>9. Provide client comfort measures</b></p> <ul style="list-style-type: none"> <li>• secure information from the client regarding the pain (location, intensity, duration) using a pain scale</li> <li>• observe and recognize signs of unreported pain</li> <li>• report type of pain, location, intensity, and duration</li> <li>• provide comfort measure(s) to relieve pain as directed by supervisor</li> <li>• report/record comfort measure applied and client response as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>10. Assist client with toileting</b></p> <ul style="list-style-type: none"> <li>• position client using proper body mechanics if necessary</li> <li>• place client on bedpan, at urinal, and/or assist client to commode noting client safety and proper body mechanics</li> <li>• provide assistance as required by the client's condition</li> <li>• provide perineal care after elimination is complete if needed</li> <li>• wash moving front to back</li> <li>• report/record relevant observations about client elimination</li> <li>• clean and disinfect equipment</li> <li>• dispose of contaminated articles as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>Comments:</b></p>			

**ADDITIONAL COMPETENCIES**

**Year 1:** Apprentices must perform at least **eight** of the additional competencies  
**Year 2:** Apprentices must perform at least **sixteen** of the additional competencies

**Rating Scale**

- 3: Exceeds entry level criteria | Requires minimal supervision | Consistently displays this behavior
- 2: Meets entry level criteria | Requires some supervision | Often displays this behavior
- 1: Needs improvement | Requires much assistance and supervision | Rarely displays behavior

Competency and Rating Criteria	Minimum Rating of 2 for EACH Check Rating		
	1	2	3
<b>1. Measure blood pressure</b> <ul style="list-style-type: none"> <li>• prepare the equipment for the procedure</li> <li>• position client using proper body mechanics if necessary</li> <li>• take blood pressure</li> <li>• report/record blood pressure reading(s)</li> <li>• care for equipment according to protocol</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>2. Measure weight and/or height</b> <ul style="list-style-type: none"> <li>• prepare equipment for the procedure</li> <li>• set scale to zero for weight</li> <li>• position client using proper body mechanics if necessary</li> <li>• measure weight and height according to protocol</li> <li>• report/record weight and height reading(s)</li> <li>• care for equipment according to protocol</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>3. Transport client within facility</b> <ul style="list-style-type: none"> <li>• secure assistance, if needed, before preparing client for transporting</li> <li>• transport clients by wheelchair noting client safety and proper body mechanics</li> <li>• follow department/facility guidelines for entering an elevator, corridor or ramp</li> <li>• remain alert to client condition and responses during transport</li> <li>• remain with client until other staff take over responsibility for the client</li> <li>• report/record client condition, reactions, and transport as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<b>4. Assist to transfer client</b> <ul style="list-style-type: none"> <li>• secure assistance and or equipment as determined by the ISP</li> <li>• encourage client to participate in transfer procedure as appropriate</li> <li>• follow transfer procedure noting client safety and proper body mechanics</li> <li>• seek client input to determine their comfort during and after transfer</li> <li>• assist to attach/secure any safety devices or monitors to client</li> <li>• report/record client condition, reactions, and transfer</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Competency and Rating Criteria	Minimum Rating of 2 for EACH Check Rating		
	1	2	3
<p><b>5. Aid client with bathing or showering</b></p> <ul style="list-style-type: none"> <li>• check water temperature before bathing</li> <li>• have client check water temperature</li> <li>• assist in determining client's ability to take a bath or shower</li> <li>• safely give or assist with tub, shower, sponge bathing noting client safety and proper body mechanics</li> <li>• follow "clean-to-dirty" principle when assisting with the bath</li> <li>• remain nearby and alert to client 's condition and reactions</li> <li>• report/record client condition, reactions, and bathing</li> <li>• clean and disinfect equipment</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p><b>6. Aid client with eating and hydration</b></p> <ul style="list-style-type: none"> <li>• position client for the meal</li> <li>• confirm the food is appropriate to a prescribed diet</li> <li>• safely assist client with eating as needed following proper feeding protocol</li> <li>• sit while assisting client</li> <li>• assist with and/or clean client as needed</li> <li>• report/record client eating patterns, fluid intake, problems and change as required</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
